"Sharing His Love" is a workshop specifically designed for the needs of Sylvan Hills. All who had previously signed up to participate in the peer visitation ministry are especially encouraged to attend. Currently, "assignments" (for lack of a better term) are made by age groups so that a guest receives a visit by someone close to their life stage. We'll talk about the Sylvan Hills Gift Bags and allow plenty of time for sharing of personal experiences.

This seminar will also be of interest to those making personal visits to the hospital, shut-ins, those no longer attending assemblies, etc. *Anyone can attend and all are welcome.* We'll see you at 3 pm today!

Greg
