Currently, plans are for everyone to meet those coming in from out of town at the family center on Saturday for a sandwich lunch and have some time for visiting. Then on Sunday, there will be a Bible Class Forum, featuring 6 of our full-time pulpit ministers and a worship service with a catered lunch after. Then, we'll have a short devotional and that will conclude the services for the day and allow folks some time to visit. Please plan to participate and invite any former members that you can.
